Theories of language acquisition; sequential patterns in the acquisition of prelinguistic communication, speech and language in relationship to general child development. (Minimum Grade of C or permission required for progression.)

Pre-req: CD 101 (may be taken concurrently) with a minimum grade of C.

Concurrent PR: CD 101

Grade Mode: Normal Grading Mode

CD 229 Anatomy Speech Mechanism **3 Credit hours**

Introduction to the anatomy and physiology of the speech and hearing mechanism and the neurological system. (Minimum Grade of C or permission required for progression.)

Pre-req: CD 101 (may be taken concurrently) with a minimum grade of C.

Concurrent PR: CD 101

Grade Mode: Normal Grading Mode

CD 239 Phonetics **3 Credit hours**

Introduction to articulatory phonetics; study of the International Phonetic Alphabet and practice in broad transcription of normal and disordered speech; discussion of social dialects. (Minimum Grade of C or permission required for progression.)

Pre-req: CD 101 (may be taken concurrently) with a minimum grade of C.

Concurrent PR: CD 101

Grade Mode: Normal Grading Mode

CD 241 Intro Communication Science **3 Credit hours**

A survey of the physical and psychophysical bases of communication with discussion of elementary communication models. (Minimum Grade C, Permission of advisor.)

Pre-req: CD 101 (may be taken concurrently) with a minimum grade of C.

Concurrent PR: CD 101

Grade Mode: Normal Grading Mode

CD 322 Dev Speech Disorders **3 Credit hours**

Introduction to developmental speech disorders; etiologies and symptoms; principles of assessment and treatment. (Minimum Grade C, PR: 200 level courses; Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 328 Developmental Lang Dis **3 Credit hours**

Introduction to theoretical bases of developmental language disorders; etiologies and symptoms; principles of assessment and treatment. (Minimum Grade C, PR: 200 level courses; Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 330 Acq Comm Swallowing Dis **3 Credit hours**

Introduction to acquired disorders; etiologies and symptoms; principles of assessment and treatment. Emphasis on communication and swallowing disorders resulting from CVA, traumatic brain injury, the dementias and other neurological disorders. (Minimum Grade C, PR: 200 level courses; Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 370L Field Exper: Sph & Lang **3 Credit hours**

Experience with preschool age children; planning and implementing speech and language stimulation activities. (Minimum Grade C, PR: 200 level courses; Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 401 Inquiry in CD **1-3 Credit hours**

Course designed to expose undergraduate students to research in the field of CD through participation in a Community of Research Practice and individual study under the guidance of a mentor. May be repeated for credit, not to exceed a total of 12 credit hours. (Minimum Grade C, Admission to program and permission of advisor.)

Attributes: No Textbook Required

Grade Mode: Normal Grading Mode

CD 415 Prof Literacies for SLPs **3 Credit hours**

Investigation into contemporary understandings of literacy using current communication and information technologies and resources. (Minimum Grade C, Admission to program or permission of advisor.)

Attributes: Capstone Course

Grade Mode: Normal Grading Mode

CD 420 Voice and Fluency Disorders **3 Credit hours**

Introduction to voice and fluency disorders; etiologies and symptoms; principles of assessment and treatment. (Minimum Grade C, Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 424 Diagnosis Comm Disorders **3 Credit hours**

Examination of assessment procedures for differential diagnosis of various communication disorders; a study of symptom complexes; interpretation of diagnostic data. (Minimum Grade C, Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 427 Therapeutic Procedures II **3 Credit hours**

Examination of therapeutic procedures relative to speech and language disorders. Investigation into the clinician's role in case management as well as behavior management techniques. (Minimum Grade C, Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 460 Basic Audiology **3 Credit hours**

Introduction to hearing disorders; examination of the auditory system, psychophysical processes and preferred practice procedures for assessment. Includes laboratory. (Minimum Grade C, Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

CD 461 Sign Language for SLP **3 Credit hours**

Introduction to basic signs and finger spelling. Overview of different sign systems. (Minimum Grade C, Admission to program or permission of advisor.)

Grade Mode: Normal Grading Mode

<p>CD 463 Aural Rehabilitation 3 Credit hours Examination of various intervention strategies appropriate for individuals with hearing impairments, techniques for assessing degree of handicap. (Minimum Grade C, Admission to program or permission of advisor.) Grade Mode: Normal Grading Mode</p>	<p>CD 486 Independent Study 1-4 Credit hours Grade Mode: Normal Grading Mode</p>
<p>CD 470L Therapeutic Procedures Lab 2 Credit hours Guided and independent observation and analysis of the clinical process.(Minimum Grade C, Admission to program or permission of advisor.) Attributes: No Textbook Required Grade Mode: Credit/No Credit Grade Only</p>	<p>CD 487 Independent Study 1-4 Credit hours Grade Mode: Normal Grading Mode</p>
<p>CD 471 SLPA Practicum I 1 Credit hour A supervised SLPA clinical practicum in the MUSHC and/or other site with faculty from Marshall University. (Minimum Grade C, Admission to program or permission of advisor.) Pre-req: CD 471L (may be taken concurrently) with a minimum grade of D. Concurrent PR: CD 471L Grade Mode: Normal Grading Mode</p>	<p>CD 488 Independent Study 1-4 Credit hours Grade Mode: Normal Grading Mode</p>
<p>CD 471L SLPA Practicum Lab 2 Credit hours Introduction to the SLPA profession.(Minimum Grade C, Admission to program or permission of advisor.) Pre-req: CD 471 (may be taken concurrently) with a minimum grade of D. Concurrent PR: CD 471 Grade Mode: Credit/No Credit Grade Only</p>	
<p>CD 472 Clin Prac School Children 1 Credit hour Supervised clinical practice with school-aged children; addresses clinical clock hour requirements set forth by American Speech Language and Hearing Association SLPA program. (Minimum Grade C, Admission to program or permission of advisor.) Pre-req: CD 471 with a minimum grade of C and CD 471L with a minimum grade of C. Grade Mode: Normal Grading Mode</p>	
<p>CD 472L SLPA Practicum Lab 2 Credit hours A lab focused on special considerations related to providing speech language pathology assistant services in the public school setting. (Minimum Grade C, Admission to program or permission of advisor.) Pre-req: CD 471 with a minimum grade of C and CD 471L with a minimum grade of C and CD 472 (may be taken concurrently) with a minimum grade of C. Concurrent PR: CD 472 Grade Mode: Credit/No Credit Grade Only</p>	
<p>CD 480 Special Topics 1-4 Credit hours Attributes: No Textbook Required Grade Mode: Normal Grading Mode</p>	
<p>CD 481 Special Topics 1-4 Credit hours Grade Mode: Normal Grading Mode</p>	
<p>CD 482 Special Topics 1-4 Credit hours Grade Mode: Normal Grading Mode</p>	
<p>CD 483 Special Topics 1-4 Credit hours Grade Mode: Normal Grading Mode</p>	
<p>CD 485 Independent Study 1-4 Credit hours Attributes: No Textbook Required Grade Mode: Normal Grading Mode</p>
