ENVIRONMENTAL SCIENCE (ES)

🦬 - General Education Course

ES 280 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 281 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 282 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 283 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 323 Env Assess Aqua Sys   **4 Credit hours**
Use of scientific procedures and current technology to characterize and quantify sensitive elements of aquatic ecosystems and to assess human impact on these systems.
Pre-req: ES 300 and BSC 121.
Grade Mode: Normal Grading Mode

ES 425 Impact Assmt Documentation   **3 Credit hours**
Use of current concepts in conservation biology to examine the impacts of habitat perturbations on people and species of concern.
Pre-req: ES 322 and ES 323.
Grade Mode: Normal Grading Mode

ES 480 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 481 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 482 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 483 Special Topics   **1-4 Credit hours**
Grade Mode: Normal Grading Mode

ES 485 Independent Study   **1-4 Credit hours**
An approved study of special interest concerning environmental science, under the supervision of a faculty member. (PR: Permission of Instructor).
Grade Mode: Normal Grading Mode

ES 486 Independent Study   **1-4 Credit hours**
An approved study of special interest concerning environmental science, under the supervision of a faculty member. (PR: Permission of Instructor).
Grade Mode: Normal Grading Mode

ES 487 Independent Study   **1-4 Credit hours**
An approved study of special interest concerning environmental science, under the supervision of a faculty member. (PR: Permission of Instructor).
Grade Mode: Normal Grading Mode

ES 488 Independent Study   **1-4 Credit hours**
An approved study of special interest concerning environmental science, under the supervision of a faculty member. (PR: Permission of Instructor).
Grade Mode: Normal Grading Mode

ES 499 ES Capstone Project   **1-6 Credit hours**
An individualized environmental science capstone project, which will be planned and carried out under the supervision of a faculty member. (Permission of Instructor and minimum of Junior standing).
Grade Mode: Normal Grading Mode
