Four Year Plan

The Department of Marketing, MIS, and Entrepreneurship offers a Bachelor of Business Administration (BBA) degree in Marketing. Professionals that work in marketing aim to get and keep customers by determining and satisfying customer needs and wants in a diverse

market. This is done by making sure the company has the right products and/or services and that these are correctly promoted, distributed, and priced. In the marketing program, you will learn how to be effective at personal selling, promotion development and execution, event coordination, customer experience design, supply chain management, analytics, market research, social media, digital marketing, and strategic planning. Marketing majors can choose to have an area of emphasis in Digital Marketing and Analytics or Sales.
