

# ELEMENTARY EDUCATION, K-6 COMPREHENSIVE

## Course Requirements

Effective fall 2021, all elementary education majors will enter the Yearlong Residency Clinical Experience Model. This model will be built into schedules and give a minimum of 875 clinical hours in the elementary classroom. During the last year as an education major, Resident I candidates will spend a minimum of 14 weeks/250 hours per the first semester of the residency in a classroom placement and Resident II candidates will spend a minimum of 14 weeks/500 hours per the second semester of the residency in the same classroom placement.

- Many courses require clinical experience in public school during normal school hours. Schedule open time accordingly.
  - **Students should monitor their program of study carefully due to ongoing curricular changes.**
  - **All** coursework in Teaching Specialization and Professional Education Core must be completed with a grade of C or better.
  - West Virginia law mandates that all persons entering a school or having contact with students must have completed a background check and have not been found on the sexual offender registry prior to entering a school. Each county and school can also use the results of that background check as a basis for admitting or denying admittance. It is the procedure of the Marshall University College of Education and Professional Development that every student will obtain a background check prior to being placed in a school setting.
