

ELEMENTARY EDUCATION K-6 COMPREHENSIVE, B.A.

 - General Education Course

 - Milestone course: a key success marker for your major. See your advisor to discuss the importance of this course in your plan of study.

Major

Effective fall 2021, all elementary education majors will enter the Yearlong Residency Clinical Experience Model. This model will be built into schedules and give a minimum of 875 clinical hours in the elementary classroom. During the last year as an education major, Resident I candidates will spend a minimum of 14 weeks/250 hours per the first semester of the residency in a classroom placement and Resident II candidates will spend a minimum of 14 weeks/500 hours per the second semester of the residency in the same classroom placement.

The Core Curriculum is designed to foster critical thinking skills and introduce students to basic domains of thinking that transcend disciplines. The Core applies to all majors. Information on specific classes in the Core can be found at <https://www.marshall.edu/gened/>.

- Many courses require clinical experience in public school during normal school hours. Schedule open time accordingly.
 - **Students should monitor their program of study carefully due to ongoing curricular changes.**
 - **All** coursework in Teaching Specialization and Professional Education Core must be completed with a grade of C or better.
 - West Virginia law mandates that all persons entering a school or having contact with students must have completed a background check and have not been found on the sexual offender registry prior to entering a school. Each county and school can also use the results of that background check as a basis for admitting or denying admittance. It is the procedure of the Marshall University College of Education and Professional Development that every student will obtain a background check prior to being placed in a school setting.
