

# PRE-OCCUPATIONAL THERAPY, EMPHASIS (KINESIOLOGY)

The Pre-Occupational Therapy area of emphasis is designed for students wishing to apply for professional occupational therapy programs. Adding this area of emphasis may require students to take beyond 15 hours in some semesters or to take summer classes in order to complete their degree program in four years.

Restricted electives that are required for the Kinesiology major are not needed with the selection of this area of emphasis.

## Course Requirements

 - General Education Course

 - Milestone course: a key success marker for your major. See your advisor to discuss the importance of this course in your plan of study.

The Core Curriculum is designed to foster critical thinking skills and introduce students to basic domains of thinking that transcend disciplines. The Core applies to all majors. Information on specific classes in the Core can be found at <https://www.marshall.edu/gened/>.
