

# HEALTH SCIENCES, B.S.

 - General Education Course

 - Milestone course: a key success marker for your major. See your advisor to discuss the importance of this course in your plan of study.

## Major

The Core Curriculum is designed to foster critical thinking skills and introduce students to basic domains of thinking that transcend disciplines. The Core applies to all majors. Information on specific classes in the Core can be found at <https://www.marshall.edu/gened/>.

	300/400 Restricted Elective	3
	300/400 Restricted Elective	3
	300/400 Restricted Elective	3
	300/400 Restricted Elective	3
	Restricted Elective	4
	Restricted Elective	3
	Restricted Elective	3
	Restricted Elective	3
	Restricted Elective	3
	Restricted Elective	3
	Free Elective	3
	Free Elective	3
	Free Elective	3
	Free Elective	3
	Free Elective	3
	Free Elective	3

## Major Information

- Students are required to know and track their degree requirements for graduation or for entrance to a professional school.
- Course offerings and course attributes are subject to change semesters. Please consult each semesters schedule of courses for availability and attributes.
- The Health Sciences degree consists of 120 college credit hours.
- Students may declare the B.H.S. major on admission to the university. Students in the program must maintain a 2.0 grade point average. A maximum of three *D*'s in the Health Sciences required courses will be accepted toward the degree.
- A list of approved restricted electives is available in the COHP Student Services Offices and from the academic advisors. Any courses not listed that students wish to take as electives must be approved in advance by the academic advisor.
- A minimum of 37 hours of restricted electives are required. 18 hours must be upper division (300- or 400-level) (maximum of 27 hours of College of Business courses).
