

ATHLETIC TRAINING (3+2)

Athletic training is practiced by athletic trainers, health care professionals who collaborate with physicians to optimize activity and participation of patients and clients. Athletic training encompasses the prevention, diagnosis, and intervention of emergency, acute, and chronic medical conditions involving impairment, functional limitations, and disabilities (www.NATA.org (<http://www.NATA.org>)).

Students who wish to complete the Athletic Training Program (ATP) will begin at the undergraduate level for the first three years and complete the foundation courses that serve as prerequisites to apply to the program. Once completing these courses the student will apply to the program and, if accepted, will directly be admitted into the program which will allow them to finish in two years, thus completing the Professional Master of Science in Athletic Training degree.

Specifically, during the first three years at MU, students will be taking required core courses and Athletic Training prerequisite courses (i.e., anatomy, physiology, kinesiology, exercise physiology, etc.), in addition to courses required to apply to graduate and other professional programs the student may be interested in pursuing. During the final two years and assuming that the student has applied and been accepted into the ATP, he/she will then enroll in the required Athletic Training core courses. The M.S. in Athletic Training prepares students to become entry-level athletic trainers and qualifies them to take the BOC Exam (national board exam). The ATP is a rigorous academic program that includes coursework in athletic training and other science-related courses, in addition to required clinical education experiences.

A degree in Athletic Training offers graduates opportunities to practice in a variety of clinical settings. These settings include, but are not limited to, high school, college, and professional athletics; outpatient clinics; industrial rehabilitation sites; physician practices; the performing arts; safety settings, and higher education. The Athletic Training curriculum includes eight areas of emphasis: Comprehensive, Health Communication, Pre-Med, Pre-Physical Therapy, Pre-Physician's Assistant, Occupational Safety and Health, Pre-Chiropractic, and Safety.

Admission Criteria

Acceptance into the Athletic Training program is competitive and not guaranteed. Prospective students must meet the following minimum criteria to be considered for admission to the program:

- Admission to Marshall University;
- Declared Athletic Training as a major, including area of emphasis;
- An overall minimum cumulative GPA of 2.75.
- A letter grade of C or better on all required prerequisite athletic training coursework:

Code	Title	Credit Hours
BSC 227	Human Anatomy	4
BSC 228 	Human Physiology	4
DTS 210	Nutrition	3
EDF 417	Statistical Methods (or equivalent)	3
ESS 345	Exercise Physiology	3

HS 200 	Comp Medical Terminology (CT)	3
HS 215	Intro to Athletic Training	3
HS 220	Personal Health	3
HS 222	Hlth Prov First Aid/CPR/AED	3
HS 365	Functional Kinesiology	3
PSY 201 	Introductory Psychology (CT)	3

- Completion of all required MU core courses
- Completion of a minimum of 90 credit hours
- Submit all necessary documents to apply to the Athletic Training Program. For information and details go to www.marshall.edu/athletic-training (<http://www.marshall.edu/athletic-training/>).
- Completion of directed observation experience requirements as outlined by the Marshall University ATP
- Successful interview (*Note:* interviews are extended during the spring semester with applications due in early March)
- Ability to meet the Technical Standards of Admission documented by a licensed physician

 - General Education Course

 - Milestone course: a key success marker for your major. See your advisor to discuss the importance of this course in your plan of study.

Major Prerequisites

Prospective students must have already taken or be currently enrolled in the following when applying to the Athletic Training Program.

Code	Title	Credit Hours
Prerequisites		
All required MU core courses		
BSC 227	Human Anatomy (or equivalent)	4
BSC 228 	Human Physiology	4
DTS 210	Nutrition	3
<i>Statistics</i>		
Select one of the following:		
BSC 417	Biostatistics	
EDF 417	Statistical Methods	
PSY 417	Inter Behavioral Stat	
STA 225 	Introductory Statistics (CT)	
ESS 345	Exercise Physiology	3
HS 200 	Comp Medical Terminology (CT)	3
HS 215	Intro to Athletic Training	3
HS 220	Personal Health	3
HS 222	Hlth Prov First Aid/CPR/AED	3
HS 365	Functional Kinesiology	3
PSY 201 	Introductory Psychology (CT)	3

Recommended Courses

Code	Title	Credit Hours
	Ethics (Sport or Medical Ethics)	
	Global Health	

Intro to Epidemiology

Exercise Testing

Sport Law

Strength & Conditioning

Areas of Emphasis

The Area of Emphasis must be completed prior to applying for the Professional Master of Science in Athletic Training degree. For additional information and details on the program, including the Athletic Training courses and the clinical education experiences that are required once admitted to the Athletic Training program, please refer to the *Graduate Catalog*.

Areas of Emphasis

- Athletic Training Comprehensive, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-comprehensive-emphasis/>)
- Athletic Training Health Communication, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-health-communication-emphasis/>)
- Athletic Training Occupational Safety & Health, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-occupational-safety-health-emphasis/>)
- Athletic Training Pre-Chiropractic, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-pre-chiropractic-emphasis/>)
- Athletic Training Pre-Med, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-pre-med-emphasis/>)
- Athletic Training Pre-Physical Therapy, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-pre-physical-therapy-emphasis/>)
- Athletic Training Pre-Physician's Assistant, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-pre-physicians-assistant-emphasis/>)
- Athletic Training Safety, Emphasis (<http://catalog.marshall.edu/undergraduate/programs-az/health-professions/kinesiology/athletic-training-3-2/athletic-training-safety-emphasis/>)
