Vice President of Schools of Nursing and Health Professions: Dr. Joey Trader, Ed.D., M.S.N., RN, CNE

The Associate in Science in Nursing program is a cooperative effort between the Marshall University College of Health Professions and St. Mary's School of Nursing. This program may be completed in two academic years and requires 66 credit hours. General education courses are offered on the Marshall University Huntington campus and nursing courses are offered at St. Mary's School of Nursing at the Center for Education at St. Mary's Medical Center at 2853 5th Avenue, Huntington, WV 25702. Graduates of this program receive an Associate in Science in Nursing degree from Marshall University and are eligible to make application to the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

Please call Dr. Trader at 304-526-1416 or e-mail to jtrader@st-marys.org for questions regarding the Associate in Science in Nursing program.

Accreditation

"The Associate Degree nursing program at St. Mary's/Marshall University Associate of Science in Nursing Program located in Huntington, West Virginia is accredited by the:

Accreditation Commission for Education in Nursing (ACEN) 3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326 404-975-5000

The most recent accreditation decision made by the ACEN Board of Commissioners for the St. Mary's/Marshall University Cooperative Associate of Science in Nursing program is Continuing Accreditation.

-View the public information disclosed by the ACEN regarding this program at https://www.acenursing.org/search-programs/https://www.acenursing.org/search-programs/.

Tuition Assistance Program

The Marshall University Employee Dependent Undergraduate Tuition Assistance Program cannot be used to cover the tuition and fees of the St. Mary's/Marshall University cooperative programs, which include medical imaging, nursing, and respiratory care. These programs are classified as third-party waiver programs, which are exempted from the Employee Dependent Tuition Assistance Program.

Admission Requirements

All applicants must be either a graduate of an accredited high school or have a high school equivalent through GED testing. All applicants are encouraged to take the ACT and submit results to St. Mary's School of Nursing. Applicants are admitted twice a year for classes beginning in August or January.

High School Seniors and Applicants Who Have Completed Fewer than 12 College Credit Hours Must Have:

- A minimum high school GPA of 3.0
- A minimum of C on all college courses completed

The Following High School Courses are Strongly Recommended:

- · English 4 units
- · Science 3 units (chemistry, biology I and biology II)
- Math 2 units (one should be algebra)
- · Social Studies 3 units

Applicants Who Have Completed at Least 12 College Credit Hours Must Have:

- A minimum of C on each required non-nursing course completed
- An overall 2.0 GPA (C average) or better on all courses completed
- An overall 2.0 GPA on all courses completed at Marshall University
- Taken 12 college semester credit hours at the 100 level or above for a grade

GED Applicants Must:

- Meet criteria for GED admission as stated in the Marshall University undergraduate catalog
- Have completed at least 12 college credit hours at the 100 level and earned grades of C or above
- Meet criteria for applicants who have completed at least 12 college credit hours

Course Requirements

- General Education Course

☞ - Milestone course: a key success marker for your major. See your advisor to discuss the importance of this course in your plan of study.

Students fully admitted into the A.S.N. program are exempt from the Core Curriculum and instead complete a customized general education, as noted below.
