NUR 425 	NCLEX Success	3

Major Information

- Students are required to know and track their degree requirements for graduation or for entrance to a professional school.
- Course offerings and course attributes are subject to change semesters. Please consult each semester's schedule of courses for availability and attributes.
- To practice registered professional nursing in West Virginia an individual must be licensed by the West Virginia Board of Examiners for Registered Professional Nurses. Students who successfully complete the Pre-Licensure Bachelor of Science in Nursing program meet the education requirements to apply to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN).
- Starting in the sophomore year of the Pre-Licensure B.S.N. program students must obtain and maintain a current CPR card (Adult, Infant and Child), and TB test. Failure to have a current CPR card and TB test on file in the nursing office will result in the student being declared ineligible to begin clinical.
- In the sophomore year of the Pre-Licensure B.S.N. program students must successfully pass a background check and drug screen. Contact the School of Nursing at 304-696-6751 for more information.
- Completion of the B.S.N. program requires the completion of 121 semester hours of credits. Credits and grades from developmental courses are not counted.
