Major Information

- The total number of free electives will depend on the amount of double and triple counting of requirements.
- See course attributes each semester for courses that meet multiple requirements.
- Questions about requirements should be directed to the College of Liberal Arts (304-696-2350). Core II and COLA requirements may not be double counted.
- Forty-eight credit hours (sixteen 3-hour courses) must be at the 300/400 level.
- Students must earn a C or better in ENG 201 Advanced Composition and all foreign language courses.
- Minimum of 120 hours to graduate, with at least 48 hours at the 300/400 level.

The program consists of 33 hours of coursework in three parts:

- Three courses introducing the specific goals and methods of the three disciplines (9 hours). These courses place special emphasis on the particular discipline's approaches to knowledge, critical thought, skills of expression, and human development. Students must choose from those listed, one for each discipline.
- Department-Approved Courses (15 hours) to be chosen by the student, usually with the advice of a committee of faculty members. Each major may select a small advisory committee to assist with course selection, advising, and long-range planning.
- Three interdisciplinary, team-taught courses (9 hours), in any combination of levels, but including at least one at the 400 level as the senior capstone experience.
