

MATHEMATICS, TEACHER CERTIFICATION

Students interested in pursuing teaching certification in mathematics should visit the main office of the College of Education. Students who plan to complete a 5-Adult certification are encouraged to consult with the undergraduate coordinator in the Mathematics department about a second major in Applied Mathematics or Mathematics. Mathematics Education majors may count MTH 450 Modern Algebra I and (MTH 335 Ordinary Diff Equations or MTH 427 Advanced Calculus I) as a sequence toward the Applied Mathematics Major.
